We have such a multiplicity of schools trict, and to the same position another existence everywhere in this and adja- Jackson, is an aspirant. cent States, each worthy institution deserving and demanding laudation at merits or peculiar worth of these insti-tutions. It costs too much, and these schools, with their exhibitions and deschools, with their exhibitions and descriptions and recitals would monopolize the columns of the paper. It seems the columns of the paper. It seems to many good people, to many good people, the columns of the paper to many good people, the columns of the paper to many good people, the columns of the paper. It seems the columns of the paper to many good people, the columns of the columns when spreading themselves in ink, expecting us to spread them in type, that it costs a deal of money to print the story of paternal delight, written that the world may know how magnificently the world may have been the world may know how magnificently may be a world may Johany progresses in Casar and Sarah
Jane in esthetics. They who dance out from Missouri makes the same of Congress.

The tinited States Court now in the Congress. should pay the piper. It is none of our dance. On the contrary, it is well for the country to know that institutions of learning prosper, and facts of this charles are may well be given to the press, conter may well be given to the press.

ILLINOIS.

African church, and likeway.

GENERAL CORRESPONDENCE.

Of a negro named Gray. The case has excited great interest. The prisoner is evidently declining in consumption; is a frail, attenuated man, bearing the marks of a gentleman in all his actions.

But INOIS.

Under the authority of an act passed at the marks of a gentleman in all his actions.

Societies of the State. tions they supervise, the APPEAL is well pleased to serve them. Our gratu-ities to schools and colleges last year ex-turned from an extended trip through the Northwest, and can assure you that ceeded six thousand dollars. Type-set-Greeley and Brown are gaining strength

the question that comes uppermost among us, there is only one answer which occurs to me as reasonable or When how hot it is: "exclaims perspecting Greeley." Carl Schurz spiring humanity. Ninety-three in the shade, and "narry" cool spot in view. Everybody at fever heat on the subject of politics. City crowded with Democratic and Liberal delegates to their respective conventions. Whisky flows as freely as water, and "the gutters are on the rise." When hot it is: "exclaims perspective in the shade, and "narry" evol spot in view. Everybody at fever heat on the subject of politics. City crowded with Democratic and Liberal delegates to their respective conventions. Whisky flows as freely as water, and "the gutters are on the rise." When hot it is: "exclaims perspective in the shade, and "narry" evol spot in view. Everybody at fever heat on the subject of politics. City crowded with Democratic and Liberal delegates to their respective conventions. Whisky flows as freely as water, and "the gutters are on the rise." When hot it is: "exclaims perspective in the shade, and "narry" evol spot in view. Everybody at fever heat on the subject of politics. City crowded with Democratic and Liberal delegates to their respective conventions. Whisky flows as freely as water, and "the gutters are on the rise." When hot it is: "exclaims perspective and active part. The whole thing is operated from Washington while the Marshal and an impudent blatherskite calling himself G. W. Cy Wells, known more as a lawyer, and holding the position of District-Attorney, are the agents in this outrageous and ungenerous manner of manipulating verspective conventions. possible: How are we to defeat Grant? the rise." Whether from sunstroke or other causes a few benighted ones have in this favor, and it would be idiotic to attempt, at this juncture, to stay its progress." The Senator expressed the opinion that if Mr. Greeley were elected, as he would be by an overwhelming vote, he would select from all parties such a cabinet, and draw around him such men as the nation confides in. The liberals met in convention yes the above the number of fifteen, and adjourned without doing anything of note. No body expected to hear of anything being done, as they represent only a few dissatisfied politicians of the State, and the say whether he is not anxious and ungenerous manner of manipulating vertilets in favor of a government that should protect and not oppress the citizen. And this is the promised peace from the administration of Grant. Let any man witness these persecutions, this mockery of the forms of justice, and then say whether he is not anxious and ungenerous manner of a government that should protect and not oppress the citizen. And this is the promised peace from all parties such a complete of the state of the administration of Grant. Let any man witness these persecutions, this first of a government of the should protect and not oppress the citizen. And this is the promised peace from all parties such a complete of the state of the administration of Grant. Let any man witness these persecutions and the parties of the state of being done, as they represent only a few dissatisfied politicians of the State, and meeting for to-day of those dissatisfied politicians of the State, and no body cared a pleayune what they would do, as it would not be a drop of water in any party's pail.

The Democratic convention meets to-ference developed the fact that the Democratic party, old and young, will go for Greeley. The Times says it amounted to nothing. The Tribune believes that nothing but good has resulted from the conference. It is reported that after the adjournment of the conference last night Judge Stallo called a meeting for to-day of those dissatisfied with the result of yesterday.

being done, as they represent only a few dissates and politicians of the State, and of the State, and politicians of the State, and politicians of the State, and politicians of the State, and our sentine pace enshrined around its silk, en band, and curse the day when his blind devotion to our cause led him to the band, and curse the day when his blind devotion to our cause led him to the place of Greeley.

The Democratic convention meets to-fay. There is a very large attendance. Minstels are doding about busy as the surject the strife of Grant to the peace of Greeley.

This State meets in Convention on the wently sixth instant. Its action will be the consciousness of the State University begin next week. The convention, being forewarned of the observe Brooks will be supported, and Greeley and Brown indorsest Judge Underwood, of Helena, is mentioned for Lieutenant-Governor; and strong downer, and others, hold authority where one casion will be the consciousness that a carpet-bag Governor and several other university begin next week. The one casion will be the consciousness that a carpet-bag Governor and several other where one casion will be the consciousness that a carpet-bag Governor and several other carpet-bag Governor and several other where one casion will be the consciousness that a carpet-bag Governor and several other carpet bag for the day of the case

DENVER was built on the banks of an extinct creek, perfectly dry. Now the stream is full of water, and needs to be crossed by bridges. Salt Lake is seven feet higher than ten years ago and steadily rising. The vast plains which engineers once pronounced uninhabitable, and fit only for droves of buffaloes and antelopes, because destitute of streams and springs, may yet become great States, the home of crowded popugreat States, the home of crowded popu-traitorous faces in a cup of sorrow. lations. Nature adapts itself to the necessities of progressive civilization. Lofty trees will soon shade the streets and drives and boulevards of Denver, tateresting Commencement Exercises planned with admirable taste, and irri-

Branch the Summer Capital, where the court has arrived with baggage, servants, horses, including a jackass (not Grant), and all the paraphermalia that belongs to the regular simplicity of our military ruler. The royal family is somewhat smaller than last season, two of its member being abroad visiting their crowned cousins in various parts of the ton, combined with Christianity, is the Eastern hemisphere, but nevertheless the potent instrumentality which must give court will "rouse at night and drain its draughts of Rhenish down," and the elegant turnouts from the palace stables education being disseminated over our will dash along the avenues, splashing the mud on the poor pleblans who are the poet, if we could obscure itso fortunate as to live or visit at the "I know not where is that Promethean heat, Summer Capital.

New York Customhouse are called upon His theme was to defray the expenses of the coming campaign is thus explained by the Golden Age: "An amount is set down exerted an influence, either for good or ovil and that continuelly, and that continuelly, and that continuelly are tribution of so much toward defraying the expenses of the campaign, with the intimation that a failure to contribute will be regarded as indicating disaffection with Grant. And they all know perfectly well what that means. It is all voluntary, you see!" It is not an assume that a superior of the campaign of the campa

basson; B. H. Hill, Georgia; H. W. Hubbard, Georgia; H. W. Hubbard, Georgia; Colonel Grosvenor, St. Louis; J. B. Brinkerhoff, Ohio; B. H. Georgia; H. W. Horace White, Chicago; William Dorshimer, Buffalo, are the leading spirits in the Fifth Avenue Hotel Convention, which was supposed to be disaffected but happens to have been very sound. Greeley will soon have no opposition except that represented by Grant.
